Conventional wisdom holds that youth sports are a positive experience for our children, yet 70% of children drop out of organized athletics by the age of 13. Youth sports has become an ultra-competitive, adult centered enterprise that has taken the "play" out of "play ball" for far too many kids, but we can change that. In this talk, you will learn:

- *How to Keep Your Kids in Sports!*
- *How to Push and Praise Your Kids to Perform Well*
- *3 Ways to Change Your Kids Sports Experience for the Better*
- *How to Motivate Your Kids to Take Ownership for Sports*
- *How to Help, and not Hinder, Their Performance Through the Things You Say and Do*
