

P.E.R.C. Presents...

Youth Activities & Sports

Physical and Emotional Aspects

Where: Dublin Recreation Center's Abbey Theatre

When: Wednesday October 5th 2016 9:30-11a.m. & 7-8:30p.m.

Moderator: Mike Patrick, MD

Dr. Mike Patrick, host of the PediaCast series at Nationwide Children's Hospital, will be the moderator of a panel of experts. The professional panel will be comprised of a clinical dietitian, child and adolescent psychologist, a former high school trainer and a sports medicine physician.

The goal of the presentation is to address the impact of sports or other activities on the emotional and physical health of our children.

Program Format - Roundtable Discussion

Babysitting is available for a fee through the DCRC during the am session and is free during the pm session. Dublin high school students donate their time in the evening.
